r.e.a.c.h.

What gifts do you have to offer?

R.E.A.C.H. deep inside yourself.
And then reach out to others.

Become a Peer Educator and assist students just like yourself. Receive dynamic, thoughtful training that will help you effectively offer support in areas such as Academic Integrity, Hate Bias Incidents/Crime, Sexual Violence/Violation, Hazing, and Suicide Awareness.

You don’t have to be an expert.
You don’t have to be a hero.
You just have to be willing to help.

Someone on this campus needs you.
